Desborough Park Road
High Wycombe
Buckinghamshire HP12 3BG

Dear John

You will be aware through your purchases of other plastic materials that the raw material suppliers continue to push up resin prices and have given us notice of further significant increases to follow in the coming weeks. These, coupled with increasing transport and utility prices, mean that, inevitably, we have to pass these increases into the market. Consequently our prices will increase by the following percentages on all orders received from Monday 21st of February.

Air Cellular Products	10%
Cell-Aire® Products	10%
Mail Lite® Mailing Products	7%
Fill Air™ Films	6%

These percentages also refer to converted products.

As ever, your local Sealed Air Regional Sales Manager will be in contact in the next few days and will support you fully throughout the increase process.

Assuring you of our best attention at all times.

Yours sincerely,

A handwritten signature in blue ink, appearing to read "Gary Simm".

Gary Simm
PP Sales Director
