## **Novostrat Operations Ltd declaration of high recycled content of foam planks**

Dear Customer,

We Novostrat Operations Ltd, declare that our product:

- Stratlite Non-cross-linked polyethylene foam laminated planks, available in white or black colours and in 24kg/m<sup>3</sup> & 30kg/m<sup>3</sup> density,

which we supply to our customers, has a minimum recycled content of 30% and therefore is not eligible for registration for the new Plastic Packaging Tax which has been introduced by the UK government effective from 1<sup>st</sup> April 2022.

Yours sincerely,

Michael O'Shea

Quality, Environmental, Health & Safety Manager
