

Dear Customer,

29th Of April 2026

At Abriso Jiffy, we see our relationship with you as a true partnership. Supporting your business with reliable products and consistent service remains our top priority, today more than ever.

As you are no doubt aware, the global environment continues to be marked by ongoing uncertainty. Continued geopolitical tensions, particularly in the Middle East, along with sustained pressure on raw materials, energy, and logistics, are still impacting our markets.

In this context, and despite our continuous efforts to mitigate these effects, we will need to implement a further price adjustment, effective as of **Monday, 11th of May 2026**.

Therefore, an increase of **5%** on your current price is necessary, you can reach out to your dedicated sales contact personally to review the impact together and ensure to find the most suitable way forward for your specific situation.

Orders with delivery scheduled from **Monday, 11th of May 2026** onwards will be invoiced according to the new conditions.

We would like to emphasize that our commitment goes beyond pricing alone. In these uncertain times, **ensuring security of supply is our absolute priority**. Increasing Raw material supply issues in the market is making supply more unstable. Thanks to the scale and strength of Abriso Jiffy, we are however able to continue guaranteeing reliable deliveries. At the same time, we remain fully committed to consistent quality, allowing us to support the continuity of your operations.

We truly value your trust and the collaboration we have built together, and we remain convinced that by working closely together, we can successfully navigate this period.

Thank you for your continued partnership.

.

Kind regards,

The Abriso Jiffy Group.
