Subject: Prices

Good morning John, Steve,

We are writing to inform you of further price increases that are being applied by the suppliers of our key chemical raw materials that became effective on the 4th April. We have little choice but to accept these increases that are in turn attached to an increase in the costs of their own raw materials, energy and freight.

We are now unfortunately faced with having to increase our own selling prices accordingly, effective for all orders delivered or collected on or after Monday 18th April 2022, a revised price list is attached.

We understand this situation is unwelcome even if not unexpected in these extremely challenging times for our industries, your Sales Manager contact will be available should you require any further information.

Block foam + 10%
Fireseal + 7.5%
Recon No change

Yours sincerely,

Carpenter Limited
Dinting Lodge Industrial Estate,
Glossop,
Derbyshire,
SK13 6LE

Kind Regards

Danny Nunn
