Dear John

We have experienced significant cost increases during this year which has left us with no alternative but to review our pricing structure for Featherpost Bubble Lined Mailers, Featherfoam and FeatherEdge Protective Polyethylene Foam Products.

These substantial cost increases have been absorbed during this year, however we believe that further raw material cost increases are inevitable for the coming months.

Reluctantly we must advise you that for all deliveries on or after Monday January 14<sup>th</sup> 2008, the following increases in pricing will apply:-

<b>Featherpost Bubble Lined Mailers</b>	<b>5%</b>
<b>Featherpost 'Extra' (Oyster) Bubble Lined Mailers</b>	<b>6%</b>
<b>Feather Foam roll stock and converted products</b>	<b>5%</b>
<b>Feather Edge Profiles</b>	<b>3.5%</b>

Our Featherpost Sales Team will be pleased to answer any of your questions relating to this price increase and please feel free to contact myself or your Featherpost National Account Manager for further information.

We will endeavour to create future price stability for our product range within our current volatile market place and we look forward to your continuing support.

Yours sincerely

  
Ian McIlwee
