

12<sup>th</sup> September 2022

Dear Customer,

**PRICE INCREASE NOTIFICATION FOR DELIVERIES FROM 1<sup>st</sup> OCTOBER 2022**

As you are aware all businesses are having to adapt to soaring energy costs along with continuous rises in ancillary components (including chemicals due to global shortages), so regrettably, we must again respond to these escalations by applying a price increase of **5%** on all products delivered from the **1<sup>st</sup> October 2022** (subject to normal lead times).

Orders already on the system due for delivery in October will have prices increased as above.

May I take this opportunity of thanking you for your continued support through these challenging times and we look forward to servicing your future requirements.

Yours sincerely,

Stuart Ingram  
Sales Director
