

23rd November 2021

Dear Customer

PRICE INCREASE

Further to our earlier communications regarding the rising costs we have been faced with, sadly we continue to be adversely affected by significant additional costs on energy, transport rates, fuel, cardboard boxes, paper, and films. Whilst we are doing all within our power to minimise the impact of these costs the situation is now at a point where we need to make further adjustments to our selling prices.

For all orders delivered from Monday 3rd January 2022 our prices will be increasing by the following amounts for product categories:

Foam Rolls & Converted Products	8%
Laminated Foam Rolls & Converted Products	12%
Bubble Rolls & Converted Products	8%
Laminated Bubble Rolls & Converted Products	12%
Profiles	10%
Polylam & Nopaplank	10%
Mailers	5%
Underlays	10%

Please note that there may be specific items which will be subject to a further additional charge.

For any orders that have already been received and accepted by us before the date of this letter and are for delivery after January 3rd our existing prices will be honoured subject to you not delaying the envisaged delivery date.

Your dedicated Account Manager is available to discuss any specific issues relating to this matter.

May I take this opportunity of thanking you for your continued support through these challenging times.

Yours sincerely,

Stuart Ingram
Sales Director
