19th April 2011

Dear John,

The stability in raw material and transportation costs that the industry so desperately requires remains unfulfilled as prices continue to rise.

There are no indications that the situation will change in the foreseeable future as we receive increases to basic commodity prices with concerning regularity, increases that we can no longer continue to absorb.

As a consequence we have to uplift prices on all orders received from Monday, 16th May 2011 as follows:-

Jiffy Bubble Roll and Converted Products	:	8%
Jiffy Foam Roll and Converted Products	:	8%
Nopaplank and Polylam	:	8%
Jiffy Padded Bags	:	6%
Jiffy Bubble Lined Mailers	:	6%
Airspeed Inflatable Films	:	6%

Your Jiffy Account Manager will be in contact with you over the next few weeks to fully support you through the application of the uplift.

Yours sincerely,

Bob Phipps  
Sales and Marketing Director
