Dear John

You will be aware that we are in complicated and uncertain times regarding costs, whether in raw materials, transport or utilities, and with no indication as to when stability may return. Our products continue to be heavily influenced by these cost factors and we are not in a position to absorb these increases, even in the short term.

Consequently our prices will increase by the following percentages on all orders received from Tuesday 3rd May 2011

Air Cellular® Products	9%
Cell-Aire® Products	9%

These percentages also refer to converted and laminated products.

Mail Lite® Plastic Mailing Products	8%
Mail Lite® Padded Bags	8%
Mail Lite® Kraft Bubble Mailers	8%
Fill-Air® Inflatable Films	6%

As ever, your local Sealed Air Regional Sales Manager will be in contact in the next few days and will support you fully throughout the increase process.

Assuring you of our best attention at all times.

Yours sincerely,

A handwritten signature in blue ink that reads "David Mansfield".
